*** This designates a species that have many varieties that do well in Ogallala, but also has some varieties that do not. It is recommended, when selecting this species, that you hold a conversation with a tree professional concerning a particular variety's success in Western Nebraska before a purchase is completed. The Tree Board can offer advice as well.

Ogallala Parks Memorial & Honorary Tree Program

Plant a Tree in Tribute
to Beautify Our Parks

The City of Ogallala Tree Board

411 East 2nd Street
(308) 284-3607

This memorial/honorary tree program is sponsored by the City of Ogallala Tree Board. It is a long-term tree planting project to beautify the parks of Ogallala.

There is always a need to plant additional trees. Trees provide a buffer from city noise, clean the air, provide for shelter and cool areas for recreation, and provide habitat for birds and animals.

Thus, trees in our parks are an invaluable resource which should be continually renewed and diversified.

Once you have made the decision to honor an individual or group and the required application has been submitted to the City Clerk with the needed payment:

The Ogallala Tree Board will be notified to purchase and plant the desired tree. The Tree Board will purchase an identification plaque to be placed at the base of your selected tree once it is planted.

The plaque information is taken from what is provided on this application. Every effort will be made to complete the planting in a timely manner. At the conclusion, a photo record will be sent to the family's contact person.
